Dear Strike Energy Services Inc,

Thank you so much for your generous donation of 40 child and youth size hats to Medicine Hat Community Preschool.

As a nonprofit organization, we value each and every donation we receive. Any special item that we aspire to provide our childcare center has to be carefully evaluated and the funds have to be raised. Your generosity has provided an additional safety precaution for field trips and leaving the building. Supervising and keeping track of children is more effective when they are dressed similarly. These hats will be utilized weekly if not on a daily basis. Thank you for your donation, it is always inspiring when Alberta businesses can help out facilities like ours.

We appreciate and will enjoy these hats for many years. If you would like more information on our program or how else you can make a difference for the children and families attending our center, contact Rosetta Sanders 403-952-5862 or email mhcpa@live.ca, or see our website at www.medicinehatcommunitypreschool.com.

Thank you,

Sincerely,

The Children and Staff
