

Bert Church Basketball

"Home of the Chargers"

April 3, 2014

Dear Adopt-A-Charger Sponsor:

On behalf of the community of Bert Church High School, we would like to express our gratitude for your generous sponsorship of Bert Church Athletics. Please find enclosed the tax receipt for your contribution to Charger Basketball.

We appreciate the support you have given our programs. Through your donation, we are once again able to provide and run successful programs. More importantly, because of your gracious sponsorship we are able to operate a program at a superior level. This enables the student athletes of Bert Church High School the opportunity to partake in and enjoy a well-rounded extra-curricular program as well as, allowing them the ability to participate in highly competitive games, with teams throughout the province. Such a favourable circumstance may not have been provided without your strong support.

We sincerely hope that we can continue with our relationship, so that we can carry out and continue shaping a future where our teams may become one of the best and most competitive in the province of Alberta. We as a school and a program are always grateful for the support that the community offers and yours is no exception. Such a donation does not go unnoticed and allows us to continue fulfilling our commitment to be the best program we can be. Once again, on behalf of the coaching staff and players of Bert Church High School would like to thank you for participation in the past and present.

Thank You!

Michael Sera, Ian Ferguson, Andy Kirk, Grover Bradford and the Charger Basketball Teams
