

Strike Group (“Strike”) values an inclusive and diverse workplace culture where we seek a broad range of perspectives and contributions to our industry—and the communities where we live and work. We are committed to providing a platform to support the next generation of leaders in our industry, and we are focused on growing diversity within the business, technologist, and trades sectors.

The Strike Group Equity, Diversity and Inclusion (“EDI”) Scholarship Program will contribute to the creation of a critical mass of talented students that will fully represent our industry—it will provide an environment in which all can thrive academically and professionally. We believe everyone has a right to education, and we are committed to providing people in historically underrepresented groups with financial aid.

Annually Strike will be offering a variety of \$2,000 EDI scholarships for students living in Western Canada.
