Strike Group Expands Presence in British Columbia with Formation of Big Chief Strike

Calgary, AB – October 22, 2025 – Strike Group Limited Partnership (“Strike Group”) is pleased to announce the launch of **Big Chief Strike (BCS)**, a new legal entity formed in partnership with Big Chief Industrial Inc., a Ktunaxa member-owned company. This initiative strengthens our collaborative market presence in Cranbrook and the Kootenay region of British Columbia.

BCS brings together complementary services from both organizations, combining Strike’s Electrical & Instrumentation expertise with Big Chief Industrial’s capabilities in Civil & Earthworks, Scaffolding, PPE Supplies, Waste & Water Management, and Fencing.

“It reflects our ongoing commitment to building meaningful relationships with Indigenous communities and supporting local economic development,” said Stephen Smith.

British Columbia remains a key growth market for us, and the formation of BCS marks a strategic milestone in expanding regional operations and creating long-term value for clients and communities alike.
